Dear Steel Technologies,

With great appreciation, SRI Quality System Registrar recognizes Steel Technologies with the President's Award for Commitment. This award honors those clients that have held continuous registration with SRI for 20 years or more.

Steel Technologies and its employees are one of the distinguished few that has set the highest standards and excelled for more than two decades. Your commitment to quality and management systems demonstrates your dedication to meet and exceed customer expectations and continually strive for excellence.

On behalf of SRI and its Board of Governors, congratulations on 20 years of commitment, excellence, and success.

Sincerely,
